WHY IT MATTERS

One search. One location. A partial picture.

Your firm can appear prominently near your office and be harder to find across town. A single search cannot show the full picture.

49 **points on your map.**

See your strengths, find visibility gaps and identify the competitors around you.

“I’ve got twenty offices on it, and the improvement showed up almost immediately.”

Glen Lerner
Founder, Lerner & Rowe

Individual results vary.

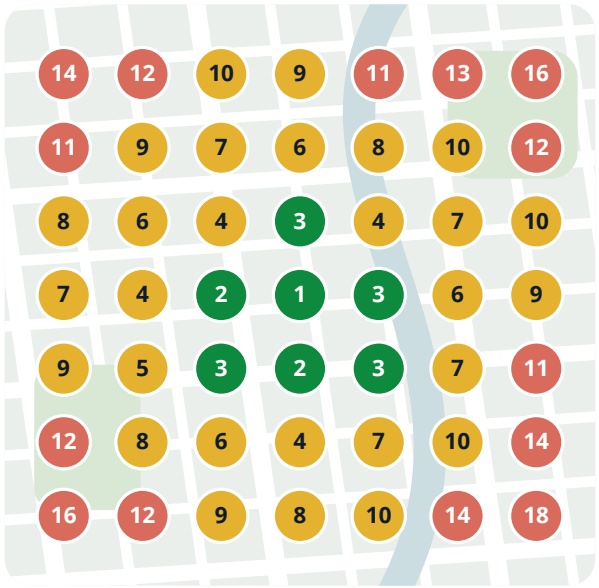
01 / SEE THE GAPS

See where you stand.

A 7 x 7 scan checks your local map position from 49 points around your office.



Top 3 4-10 11+

Each number is a local ranking at a different point on the map.

Illustrative ranking grid. Not client results.
Actual rankings depend on the search location, keyword and competition.

02 / HAND OVER THE WORK

We handle the work.

Profile optimization

Audit and improve categories, services, business details and website connections.

Content & photos

4-8 Google Posts each month, plus regular updates using your firm's photos.

Reviews & reputation

Review-request coaching, monitoring and thoughtful review responses.

Tracking & reporting

Weekly map scans, competitor monitoring and monthly strategy reviews.

Profile issue monitoring and suspension support are also included.

03 / CHOOSE YOUR NEXT STEP

Start with your own map.

1 Run the free scan

Enter your firm's website at PlatinumProfile.ai. No email required.

2 Review your visibility

See where you appear and which nearby firms rank ahead of you.

3 Talk with Logan

Choose management for one office or request a quote for multiple locations.
